

Baptism Preparation Class

It is best to attend the Baptism Preparation Class prior to the birth of your first child. We ask that only both parents attend. Children under the age of one year may accompany their parents if necessary. Due to the fact that this is an adult course, and child care is not provided, we ask that you make other arrangements for older children.

Fr. Domingo requires this course to be completed only once by both parents. If you have completed a baptism preparation course in another parish or another country prior to having an older child baptized, you do not need to take it again at St. Paul's. Simply provide us with the place and date of completion. The registration fee for this course is \$25 per family, payable only by cash or cheques (payable to St. Paul's Parish) on the day of the course.

To register, choose the date you wish to attend on the Application for Baptism Form.
