

Hello Everyone,

We are inviting you to be a part of our plant Fundraiser this spring! Here are the instructions for ordering. Greenhouse Effects, who supplies our plants every year, has set up an online system to streamline ordering. If you have any questions, please get in touch with me. Supplies are limited, plants are in high demand this season, and this platform is open to other groups as well, so for best selection order early! Orders will be open until May 5th. Do not submit any orders after this date - our group code will be closed at that point and you will not be able to link to our group. **Please read through all of the instructions below. The most important step is the **GROUP CODE**.** Please ensure that you understand the instructions before proceeding. If you have any questions let me know. Thank you!

### **Instructions:**

- Click or copy the link to find your way to the Greenhouse Effects website: [www.greenhouseeffects.ca](http://www.greenhouseeffects.ca)
  - Click "Shop" and find the Fundraising Program.
  - Click "Shop Now" and enter **Guest Password: GE1000** This will give you access to the online store for ordering.
  - Click on plants you want and follow directions. Once you have made your selections, continue to your Cart.
  - This is where you will enter your **GROUP CODE: Paul21**
- \* This is very important. The purpose of the code is to link your purchase to our group. The code does not provide any further discount. Please ensure you complete this step! Thank you!**
- From here you can proceed to Payment. You will go through the usual steps for an online purchase and be asked for your **GROUP CODE** once more.
  - Once you submit your payment you are all ready to go! Your order will be processed and delivered to [1323 Woodside Way](#) on Friday, May 7th, available Sat May 8 and Sunday May 9, Monday May 10. Please let me know what time you are coming about 24 hrs in advance. Masks and social distancing will be in effect.

If you have trouble ordering, I am here to help you get the flowers you want.
