

Keep Christ in Christmas cards

The third edition for Keep Christ in Christmas cards are available for sale. The cards feature the artwork from students at OLQP and St. Martins. In addition the card has a beautiful picture of the adoration chapel (windows by Leon Ramler) at St. Paul's . Father Bob's Christmas message is on another page.

The Knights of Columbus only printed 100 packages to be sold at \$15 each as a fundraiser. Each package contains 10 cards with envelopes. A very good deal for these creative Christmas cards done by students but printed professionally. Available at the store card table after Saturday and Sunday masses. We do have first and second editions available at \$5 a package, if interested.

It is sometimes difficult to find Christmas cards with a Christian message so get yours soon.
