

**Hello Golfing Friends:**

**First of all I would like to thank you all for your past support of this important Fundraiser. Without YOUR yearly repeat support this Tournament would not be such a success and so much FUN !!**

**This year the Tournament will once again be held at Crossfield Collicutt Siding with a shotgun start at 8 am (same as last year) on Saturday July 9th.**

**Following suggestions from some players / friends I am going to make a small change this year. We are going to have less prizes and focus on having more fun. We will just have prizes for skill winners (eg long drive etc). We will also have a 50/50 draw. We still need larger auction items please.**

**I am leaving the fees the same so \$140/golfer and/or \$540/team of 4, even though the costs charged by the Course are up again.**

**Looking for golfers / teams and hole sponsors (\$100/hole). Larger items \$50+ will be gratefully accepted for the Auction. See Registration form attached.**

**Thanks in advance for your continued support.**

**Best Regards**
